

Thanks to Our Sponsors!

By Mary Light

Once again we had a very successful fundraiser at Abbey Inn with good attendance, great food & terrific items to bid on. If you missed it we are sad to hear it. Watch your newsletters in the spring for info about it and be sure to get your ticket early. We are extremely grateful to our generous community for their donations and continued support. We encourage all of you to patronize their places of business as our way of saying

“THANK YOU.”
