Dear Barbara Lefler:

Thank you for submitting your agency's updated Title VI Plan. We have reviewed your updated plan and determined that it meets the requirements set out in the FTA's Title VI Circular, 4702.1B. Please plan to submit a Title VI Plan update by November 15th, 2022 by submitting it to the Public Transit Plans and Programs Director. If we have not received all required information by the noted date, Red Rock Center for Independence (RRCI) will not be eligible for funding through the Public Transit Team. If you have no current contracts or vehicles as of November 15th, 2022 an updated plan is not required until future funding is sought.

Thank you for your ongoing commitment to safe, reliable, and quality transportation in your community. If you have any questions regarding Title VI or other program matters, please feel free to contact myself or Raymond Earl.
