Dear George:

I am pleased to enclose in behalf of Intermountain Healthcare and Dixie Regional Medical Center a check in the amount of \$1000.00 from Community Benefit. This donation is in support of your efforts to reduce the incidence of suicide among teens as well as to address high blood pressure and unhealthy behaviors in cooking classes.

This local grant is awarded with a restriction that \$500 of the funds be used to help reduce suicide risk through education and support. The other \$500 is to be used to support proper knowledge and skill in meal preparation to teach healthy cooking among clientele.

Please contact Jordan by email or phone should you have any questions or need more information regarding this donation. Intermountain and Dixie Regional are pleased to partner with you. We wish you every success.

Sincerely,

Jordan Merrill
