**How much time would you be able to commit to board activities?**

4 to 6 hours/month       7 to 9 hours/month       10 or more hours/month

The board would like its membership to provide cross-disability representation. Are you a person with a disability?

Yes       No

If yes, what is your disability? (This information will remain confidential.)

What qualifications/experience/special qualities or skills do you have that would make you an effective member of the board?

I am a recent graduate from SUU's Masters of Public Administration Program. I have been serving as the Disability Support Specialist under the Directorship of Carmen Aildredge since 2017. Before my appointment at SUU, I helped children on the autism spectrum disorder for the Iron County School District as a Paraprofessional.

Add any additional information including prior volunteer experience you would like the board to know about you. As a youth I volunteered in the Special Education classrooms Summer school programs for the Livermore Valley Joint Unified School District, and am looking forward to serve the Southwestern Utah Communities. Thank you for your consideration. (Volunteer note taking also during undergrad).

I have reviewed the Red Rock Center for Independence Board Member Contract, and will complete that agreement if this application is accepted.
